RE: Letter Motion – To Compel Discovery  
Jordan et al. v. Slidenjoy et al. Case No. 1:19-cv-11868 (PGG)

Dear Judge Fox:

Plaintiffs Jordan et al. respectfully request by this letter motion that the Court compel defendant Slidenjoy provide complete and proper responses to Plaintiffs' Interrogatories (First Set) dated 26 June 2020). Plaintiffs also request the Court compel defendant Slidenjoy to produce necessary documents as required in Plaintiffs Request for Production of Documents (First Set) dated 26 June 2020.

This letter motion follows Plaintiffs' receipt of defendant Slidenjoy's responses to Plaintiffs' Interrogatories and Request for Production of Documents. Slidenjoy's responses included numerous broad, unsupported, and thus improper, objections, including but not limited to "over broad", "vague", "overly burdensome", "relates to privileged or confidential information", "attorney-client privilege", and "work-product doctrine". Plaintiffs, through their counsel, engaged in a Meet and Confer with defendant Slidenjoy's counsel following receipt of the responses, whereupon Slidenjoy has refused to sufficiently supplement its responses. Defendant Slidenjoy maintained its objections even in light of failing to file a motion for protective order in accordance with the Court's instructions of July 21, 2020 (doc. 84). Plaintiffs hereby request a hearing with the Court to resolve these issues, and at least prior to filing of a Motion to Compel.

Respectfully Submitted,

/RDWY/

Robert DeWitty.

Attorney for Plaintiffs Jordan et al.
